Course Prefix and Number: COM 262  Credit Hours: 3
Course Title: The Photographic Artist
Course Prerequisites: None
Textbook: None

Course Description: Students will explore artists who paint with computers as well as with a brush. Students will explore the possibilities of digital painting using Corel Painter software. Painting styles explored include water color, pastels, and oils.

Learning Outcomes:
At the end of this course, the student will be able to:

A. understand and duplicate the fundamental techniques of a great artist;
B. use Corel Painter as the primary painting tool;
C. create images in the following mediums: watercolor, pastels, and oils; and
D. apply the finishing techniques needed to render the photographic image as a painting.

To achieve the learning outcomes, the student will:

1. observe how a painter approaches a project versus the way a photographer approaches the same project. (A)
2. alter an image using the following: value, edges, color, light, composition; and painting techniques. (A)
3. complete painting assignments using the tools in Corel Painter. (B)
4. complete painting assignments in the following mediums: watercolor, pastel and oil. (C)
5. use fine-art papers and canvas to print images. (D)
6. stretch canvas onto frames and finish the printed images with special coatings. (D)

Course Requirements: This course requires attendance, class participation, assignments, exams, and projects as determined by the instructor.
