Policy Statement

Students may be awarded Student Life tuition waivers for special talent or services provided to the College. The selection criterion for waivers varies depending on the nature of the activity. Auditions, tryouts, or selections of waiver recipients are publicized and supervised by the faculty/staff advisor to the organization offering the award. Student Life tuition waivers are administered by the Business/Finance Office and are monitored by the Office of Student Life and the Vice Chancellor for Student Services.

Procedures and Specific Information

1. Purpose

To establish policy and procedures for awarding Student Life tuition waivers.

2. Scope and Applicability

This policy and procedures memorandum applies to all student organizations that award tuition waivers to students for talent or special services. The Director of Student Life or designated staff is responsible for verification of eligibility prior to the waiver being sent to the Business/Finance Office for processing. The Business/Finance Office is responsible for posting all Student Life tuition waiver awards to student accounts.

The maximum dollar value for Student Life tuition waivers should be equal to the amount of **tuition ONLY** and should not cover any fees and/or books unless approved by the Director of Student Life and the Vice Chancellor for Student Services. The student will be responsible for all costs in excess of the award. **Tuition awards are subject to change based on tuition increases.**

Each year, a certain percentage of the college's operating budget is set aside for in-house tuition waivers. In order to stay within this budget, each organization will need to award waivers based on the criteria and/or selection process guidelines outlined in Section 3: Tuition Waiver Criteria and Section 4: Selection Process. All tuition waiver recipients must be full-time students. Part-time student waivers will not be awarded.

3. Tuition Waiver Criteria

Tuition waiver recipients must be full-time students enrolled in 12 or more hours in a regular semester (fall/spring) or 6 or more hours in a summer semester. Recipients must maintain minimum enrollment requirements throughout the semester or be subject to the Student Life Tuition Waiver Restitution Policy.

In accordance with the LCTCS Board guidelines, tuition waiver recipients must have at least a 2.0 cumulative GPA at the time of selection. Organizations offering tuition waivers may have varying requirements specific to their needs (See Section 4: Selection Process). Recipients must maintain minimum GPA requirements throughout the semester or be subject to the Student Life Tuition Waiver Restitution Policy.

4. Selection Process

The method of selecting students for tuition waivers is determined by the organization advisor and is approved by the Director of Student Life. Tuition waiver applications and contracts are submitted to the Director of Student Life or designated staff for verification of GPA and hours. Tuition waiver contracts are then submitted to the Business/Finance Office to be posted to student accounts. Students who are denied Student Life tuition waivers have the right to appeal the decision.
