Are you interested in A+ or Network+ certification? BPCC is proud to offer one week Boot Camp classes to prepare you to take the CompTIA A+ and Network+ Certification Exam. The course ends with the student taking the cert exam the following week (exam cost included with the course). Even if you are enrolled at another school you can apply to take these courses, and they are covered under GI bill. Due to classroom size we have a limit of 11 students per class so APPLY TODAY! You can get an application/information packet from the Base Education Center main office, or from the BPCC Lab/Testing Center, Room 101.

- CIT112 (A+ Certification)
  Course Meets 5 Days—June 20, 21, 23, 24, and 27
  Certification Exams (Both Covered) on June 29
- CIT101 (Network+ Certification)
  Course Meets 5 Days—July 11, 12, 14, 15, and 18
  Certification Exam on July 20

Are you interested in other Certs? (Linux+, Security+, Microsoft...) please let us know. We can offer them if there is enough interest (Need at least 10 people to commit to the course).
