- Student is responsible to verify eligibility for employer tuition assistance benefits through his/her employer.
- Student agrees to pay any balance not covered by the employer.
- If during the term there are payments made to your account from another source (Example: Federal Financial Aid, etc.), these payments will be applied first to your unpaid tuition. Refunds will not be processed until your tuition and fees have been paid in full.
- If you choose to pay in full and be reimbursed at the completion of the term by your employer, payment plans are available, and published payment deadlines are described at www.bpcc.edu/payment.
- Student has up to 30 days beyond the end of the semester to pay the remaining balance.
- All balances must be paid in full before diplomas and transcripts are issued.
- Bossier Parish Community College reserves the right to assign outstanding account balances to a collection agency. In this circumstance, the student is responsible for all collection agency fees.
